Principal's Report

Welcome to Term 3 Week Two

I hope everyone had a safe and restful break; our term has certainly commenced in earnest. Last Wednesday presented some interesting challenges as most access roads to the school became impassable due to flooding; thankfully the rain has somewhat abated.

I wish to take the opportunity to welcome the new families that have joined our school community this term, I am sure you and your children will become valued members of our community. I encourage you to become involved in the many opportunities at school to participate in the learning activities of your children.

The School Development Day held on Monday last week was an excellent opportunity to work with staff from our Western Access Program Schools: Yeoval, Trundle, Tullamore, Trangie and Tottenham. The focus of the day was to deliver quality learning experiences for all students every day; one hundred and fifty staff worked collaboratively throughout the day to develop programs and strategies to ensure every student engages in a quality education.

This term Jyie Chapman from the Western NSW Family Referral Service joins our Wellbeing Team. Jyie will be at the school each Wednesday to work with students and families to ensure support services are available to support all families. Jyie can be contacted on 0417268547 or via the school phone on 68691304.

The Student Representative Council (SRC) today is holding a Green & Gold Fundraising event to raise funds to support our Paralympians. I commend the SRC for initiating and coordinating such a valuable event- Well Done!

This Friday students from Kindergarten to Year 12 will participate in information sessions led by the Future Moves Team from Charles Sturt University. Peak Hill Central School has a long standing relationship with CSU and the benefit to our students of the Future Moves Program is significant.

Combined School Development Day – Peak Hill

On Monday July 18 teaching and support staff from our 6 schools connected and collaborated in innovative style at Peak Hill. A huge thank you must go to Amanda Thorpe (relieving principal at Tottenham) for all of her hard work organising this event. Thank you also to the staff who ran sessions or were otherwise involved in the logistics of the day.

After an address from Maree Angus, Director Lachlan Schools, staff were split into common groups for further professional learning and workshops, as follows.

School Learning Support Officers worked on literacy and numeracy strategies, students' health and wellbeing initiatives and ways to increase their effectiveness in supporting students.

Collaboration equals sharing skills and knowledge

Secondary teachers focused on the 'Stand and Deliver' project which is aiming to better support teachers in maximising HSC results across the WAP, as well as curriculum based network meetings to share best practice in teaching and assessment.

Primary teachers were professionally developed in Creative and Practical Arts, Gifted and Talented education as well as networking around programming and resource development.

Administration staff focused on handling media enquiries, technologically skill advancement and workplace health and safety issues.

Thank you must also go to Peak Hill Central School for hosting this event and providing the wonderful catering.

Innovation equals exciting student experiences

| Glenroy Jackson | Brandon Hamilton |
| Malachi James | James Stewart |
| Tyden Barlow | Taigan Brennan-Ingram |
| Ceejay Bendeich | Dylan Hauser |
| Joseph Dargan | Wayne Dargan |

Stage 4 English Excursion

For English Term 2 we were studying Fairy tales. We went to Dubbo to watch Roald Dahl's *The BFG* (Big Friendly Giant).

My favourite part was when Sophie and BFG went to Buckingham Palace.

After the movie we went to McDonalds for lunch and on the way back Casey and I laughed all the way home.

By Tijuana Keed Year 7

We went to the movie *The BFG* (Big Friendly Giant) in Dubbo as we have been studying Fairy tales in Term 2 for English.

I would suggest watching the movie. It is a comedy Fairy Tale about a giant who steals a girl from an orphanage.

NATION OF ORIGIN

Peak Hill Central School students Taigan Brennan-Ingram & Trent Williams attended the "Nations of Origin" Tournament during the School Holidays. The Nations of Origin Tournament was held from the 12-14 July at Lake Macquarie & Raymond Terrace. Teams participated in Netball, Rugby League 7s & Soccer (Football 5s) during the Tournament.

Taigan played in the Wiradjuri (East) Football 5s team which took out the Grand Final, while Trent Williams refereed and ran the lines for the Ruby League 7s under the supervision of Mr Willy Barnes from Country Ruby League. A fantastic effort by Taigan and Trent.

The Nations of Origin is sponsored by the PCYC, which is committed to promoting reconciliation between non- Aboriginal and Aboriginal Australians. PCYC is proud of 'Nations of Origin' and the role this event plays in promoting participation in sport, education and enhancing relationships that promote reconciliation.

Hello everyone!

Welcome back to Term 3! With the new term comes a wonderful opportunity to sign up for the 2016 Maas Group Dubbo Stampede to be held at the Taronga Western Plains Zoo on Sunday 28 August! Many of you have been part of The Stampede in the past, helping to make it a wonderful community experience and we would love for you to take part again or perhaps participate for the first time.

The event that often appeals to families is the 5.5km Dingo Dash; a walk, jog or run that loops past animals from all around the world. However, the 10km Cheeta Chase, 21.1km Zebra Zoom and the 42.2km Rhino Ramble are also alternatives.

Each year we run a Schools' Challenge. Anyone who registers for one of the events at the Stampede can choose to register with a particular school; the school racking up the most registrations in each given category, receives a substantial monetary prize and trophy.

Details regarding events, times, pricing, merchandise and the registration process are available at www.dubbostampede.com.au

An event like The Dubbo Stampede also requires many, many enthusiastic volunteers. If you think that encouraging walkers and runners or helping out is something you or your family would like to be part of, we would love to hear from you via contact@dubbostampede.com.au

We look forward to seeing as many of our local families (and your friends and families!) as we can on Sunday 28 August.

Rewarding regular savers with spectacular prizes.

We're bringing the exciting news that Prize Lights have appeared in the Outback sky, and the Dollarsmites are giving students who demonstrate regular savings behaviour the chance to win spectacular prizes.

How to enter

Students must simply make three or more School Banking deposits during Term 3 for a chance to win one of the Star Saver prizes, including camping kits, instant cameras and magazine packs.

What's more, students who complete the fun Stargazing online activity, along with making three or more school Banking deposits during Term 3, will also go in the separate draw to win one of the Supernova prizes – a PlayStation 4 pack. Students can complete the Stargazing activity online at any time during Term 3 by visiting commbank.com.au/prizelights

Win a bag of sports equipment for your school

We're also giving schools participating in the School Banking program a chance to win one of 75 bags full of sports equipment, valued at \$200, when students make three School Banking deposits during Term 3.

To complete the Stargazing activity, or to find out more, visit commbank.com.au/prizelights
