Principal's Report

Newsletter Week 2 Term 3

Welcome back, it has been an exciting start to the term and it is great to see students enthusiastic to return to school. We have a new PBL policy and procedure where we are trying to catch the students being good more often, with greater prizes and rewarding students more formally every Friday. We also have a new Behaviour Management Policy and Procedure and these 2 documents are included in the newsletter.

I would like to welcome Miss Snow and Mr Wood to the school as teachers. They are excited and are doing a tremendous job building rapport with the students. We also welcome back Mrs Tremain-Cannon on Tuesday and Wednesday and Miss Gleeson is also with us on Mondays now.

The class structures in Primary have changed a little and the feedback so far has been fantastic. We have a straight Year 3 class with Mrs Atchison as the teacher and have a 4/5/6 class with Miss Lannan and a 4/5/6 class with Miss Snow.

Week 3 across NSW Department Schools is Education Week. This year's theme is *I Learn, We Learn*, celebrating the commitment of the NSW Department of Education to ensure that every student, every teacher, every leader and every school improves every year. We will also be running other activities in week 4 that will coincide with Book Week, Grandparent Day, open classrooms, mufti day and a student BBQ.

A number of excellent activities and resources have been developed to support schools during Education Week 2017 and our students will have the opportunity to be involved in:

Livestream

Education Week will be launched in both Sydney (Glenmore Park High School) and Tamworth (Tamworth High School) on Monday 31 July between 10am-11am. Join in the celebrations by live-streaming the Education Week launch at your school.

Virtual excursion

During Education Week, the Department will host a series of science-based virtual excursions, "Opening up the Classroom" to collaborate with subject-matter experts and educators across the globe. Join in to experience the exciting learning opportunities that are created when distance is bridged by technology. Discover the wonders of the World Heritage listed Ball's Pyramid and its unique biodiversity through two virtual excursions with Australian Museum field scientist Paul Flemons. Go on a journey to the Alaska Sealife Centre to learn about the new walrus pup or to the world's largest living ecosystem, the Great Barrier Reef.

I hope everyone has a really productive and successful term, this is a great school with great staff, students and community involvement.

Holiday Bowling Success

James Robinson has had some good results over the last few weeks with his weekend bowls. He was runner up in the Gulgong junior tournament and at the Drakes Pride Carnival in Wingdang he made the quarter final in singles and runner up in the pairs, finishing with 2 wins from 3 with the mixed up pairs.

James is pictured with his bowls partner Adam.
