## 2018 Athletics Carnival

On Friday 11 May, Peak Hill Central School students braved the cold dressed in house colours to participate in the Athletics Carnival. Despite the rain, all students had a great day and got involved. The overall house champions were Harvey/Newell with a total of 490 points. Mungery/Bogan were behind with a total of 362 points.

## Principals Message

Congratulations to the students who successfully completed NAPLAN online exams. The behaviour and effort was great by all reports so well done.

The Athletics carnival has been run and won. It was a cold and wet day and I truly appreciate the efforts of staff and students.

Gobondery/NARRAF Cross Country is coming up as is Central Schools Secondary sporting competitions with Opens Touch the first for the term.

The cold weather has arrived so if you need some winter uniforms please see the front office.

Thanks to the parents that attended our Q and A session on class changes and the direction that the school is taking with class and break times. The most positive effect since starting this has been the large reduction in playground issues of harassment as Primary and Secondary students are now separate from each other. The P and C even recruited more members so congrats on that also.

We are coming into a busy time with exams, assessments and reporting beginning. Attendance is important and vital for quality learning opportunities to occur.

The Belrose Rotary Club visit is scheduled for this week so we look forward to continuing this well established and successful partnership.

Another great week to be a Dragons fan.

Mr Olsson

### Your P&C Needs You

Your P&C helps the School with reviewing policy changes and fundraising for essential equipment.

### A Strong P&C = A Strong School

To volunteer please contact Kim Dern during School hours on 0268691304.

Tijuana Keed and her Noughts & Crosses game

Student of the Week: Marissa Robinson, Bayn Schnitger & Hunter Judd

## Athletics Carnival Continued

## Athletics Carnival Continued

# 2018 School Levies and Charges

Each year our school seeks your support through a general levy and specific course charges which contribute towards the costs of the many materials used by our students in their school activities.

These contributions are an essential part of our school budgeting. Without this levy, many materials which our students use on a day to day basis could not be provided, would have to be charged on an individual basis or provided from home. Experience has shown that bulk purchase of materials by the school for both general materials,

consumed by students on a day to day basis and for materials required for practical subjects, is far cheaper and more convenient for parents.

We can make provision for you to make part payments of school levies and charges over each term.

We would be grateful if you could assist our school by arranging for payment of these contributions, so that we can continue to offer our students the best possible resources to assist in their education.

Year	Purpose	Charge
<b>Kindergarten – Year 6</b>	Performances	\$10.00
	Classroom Materials	\$10.00
	Maths/Technology/Craft	\$10.00
<b>General Levy Secondary</b>	1st Child	\$30.00
	2nd & Subsequent Child	\$20.00
<b>Years 7 &amp; 8</b>	Agriculture	\$25.00
	Food Technology	\$50.00
	Timber	\$25.00
	Textiles	\$25.00
<b>Years 9 &amp; 10</b>	Stage 5 Food Technology	\$120.00
	Stage 5 Design & Technology	\$50.00
	Stage 5 Timber	\$120.00
	Stage 5 Metals	\$50.00
<b>Years 11 &amp; 12</b>	Stage 6 Metals and Engineering Year 11	\$120.00
	Stage 6 Construction Year 11	\$120.00
	Stage 6 Yr 11 Hospitality	\$165.00
	Stage 6 Yr 12 Hospitality	\$165.00
	Stage 6 Yr 12 Construction Major Work	Own Expense
	Stage 6 Yr 11 & 12 Worplacement	\$150.00/placement
	Students studying a subject through Dubbo School of Distance Education incur course costs of \$95.00 per subject per year.	

## Examination Timetable

PEAK HILL CENTRAL SCHOOL

YEAR 7 - 10

### HALF YEARLY EXAMINATION TIMETABLE

TIME	MONDAY 4 June	TUESDAY 5 June	WEDNESDAY 6 June
9am – 10am	ENGLISH	MATHEMATICS	SCIENCE

**Recycling Award** - Year 3/4

**Merit Award Winners** - Emma Beeby, AJ Rez, Isabella Read, Zane Pearson-O'Brien, Sarah Charlton, Adrian Bell, Savannah Weaver, Rose Beeby, Kale Cohen & Izayah Reid-Hando

## Australian Mathematics Competition - 9 August

The AMC is for students of all standards. Students are asked to solve 30 problems in 60 minutes (Years 3–6) or 75 minutes (Years 7–12). The problems are designed to test mathematical thinking and questions are designed so that they can be answered just as quickly without a calculator as with one. The problems get more difficult through the competition, so that at the end they are challenging to the most gifted students. Students of all standards will make progress through the problems, and also be challenged along the way.

The Competition will run on the 9 August. Any students interested in participating should let Mr Kunkel know.

Mr Kunkel
