Term 4 Week 11 - Friday, 17 December 2021

## Principal's Message

### MERRY CHRISTMAS AND A HAPPY NEW YEAR!

I am so proud to be the Principal of Peak Hill Central School. Despite the challenges of COVID-19 lockdowns and restrictions we have continued to grow and improve in everything we do. Our NAPLAN results exceeded State targets, Attendance has improved dramatically and our engagement with students and parents/carers is at a high, according to Tell Them from Me Survey results. I am excited for a new fresh year, hopefully with fewer restrictions than this year, so we can open the gates and have more community involvement in our school.

Please refer to our staggered starting dates for the 2022 school year in this newsletter and on Facebook and the sign outside the front office.

Have a safe and fun Summer holiday and I am excited to lead the school in 2022.

**CELEBRATING SUCCESS in 2021!**

As we conclude our final week of the school term for 2021, it is a perfect time to pause and reflect on the momentous highlights of our incredible school community this year:

- ✓ Over 40 new student enrolments in 2021
- ✓ Our expected growth across all areas in the 2021 NAPLAN results, exceeded all like schools and the state target for growth
- ✓ Increased rate of permanent teaching positions, which ensures stability for student learning
- ✓ Improved student attendance Kindergarten to Year 12 during 2021
- ✓ *Tell Them From Me* data shows a 5.6% increase in students “sense of belonging” at school since 2020
- ✓ Every child being involved in a “Reading Circle”, every day

**CONGRATULATIONS YEAR 12 - 2021**

Well done to our incredible Year 12 students. We are so proud of each of you for successfully completing 13 years of education. Last Tuesday night we celebrated in style at the newly refurbished Carrington Hotel and it was an absolutely stunning student focused, family event. A huge thank you to Mrs Georgia Watt, Mrs Tanya Stanford, Miss Meiko Bell and the students and staff who ensured this event ran so smoothly. We wish Jada, Tijuana, Goran, James and Wayne a lifetime of happiness and success as they move into the next chapter of their lives.

**CONGRATULATIONS YEAR 6 - 2021**

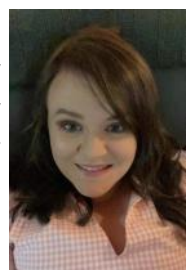

It is with great pride that we congratulate each of our Year 6 students for 2021. These students are a credit to themselves and their families. This term the students have enjoyed seven Mondays where they have completed Transition lessons in the High School, working with their new Secondary Teachers and getting use to the routine for Year 7. On Tuesday the 14 December, the students will be joining Mr Neilsen, Mrs Doyle, Miss McLeod and Mrs Jones, to celebrate the culmination of their first seven years of education with lunch at the Peak Hill RSL Club. We look forward to this opportunity to wish these students all the very best for their next six years of schooling as they move into Year 7 in 2022.

**KICK START KINDY SUCCESS**

This program is designed specifically to support students and their families, as children move from home or Pre School into Kindergarten. This year’s program has been hailed a huge success, as it has provided the opportunity, despite COVID-19 for our youngest students and their families to familiarise themselves with our beautiful learning environment and professional, supportive staff. A huge thank you to Mrs Georgia Watt and Miss Sammi Axam for the brilliant transition program they have run this year. We are proud to announce that we have 10 incredible enrolments for 2022 and Miss Sammi Axam and Miss Grace Stewart are very excited about the opportunity to teach a straight/stand alone, Kindergarten class. **SUCCESS THROUGH EFFORT EVERYDAY @ PHCS!**

**WELCOME**

I would like to extend a very warm welcome to Miss Alana Gear who will join our Peak Hill staff in 2022 as the new Food Technology and Hospitality teacher. Miss Gear comes to us from Gulgong High School. She has already spent a number of days working at our school and getting to know her classes. We thank her for her contribution and positivity and look forward to 2022 with her on our staff!

### SCRIPTURE @ PHCS

PHCS would like to publicly thank the combined Churches of Peak Hill, who provide have supported the delivery of quality, meaningful lessons to our students for many years. The preparation and devotion of the dedicated Scripture Teachers over the years has been sincerely appreciated by our students and staff. Our students are highly engaged in these lessons and genuinely look forward to their weekly sessions. We would like to thank Mrs Ruth Simmons who has been working with our students this year. We wish Mrs Simmons all the very best for Christmas and we already look forward to Scripture in 2022!

### A LOVE OF READING @ PHCS

Share the love of reading and spend some time reading with your children these holidays! This simple act, will be one of the most important gifts and childhood memories that you can ever give a child. A special thank you to our very own Literacy team for their passion and inspiration across our school community to remind us all of the importance of reading to and with our children every day! I look forward to us all continuing to share the love and joy of reading at Peak Hill Central School and within our families and our wider community. Let's all work together to make a difference and to improve the outcomes for each and every student in our care!

### AMAZING NAPLAN RESULTS FOR YEARS 3 AND 5 IN READING!

Year 3 Reading: 38% of students in Top 2 Bands in Reading - greatly exceeds Progress Measure target of 11%

Year 5 Reading: 29% of students in Top 2 Bands in reading - exceeds target of 11% by 18%

Year 3 Numeracy: 38% of students in Top 2 Bands in Numeracy - exceeds target of 11% by 27%

Year 5 Numeracy: 14% of students in Top 2 Bands in Numeracy - exceeds target of 11% by 3%

### GOODBYE, FAREWELL & THANK YOU!

It is with a grateful heart but much sadness, that we farewell three of our very loved and valued staff members this term. Miss Elsie Woodley will be leaving PHCS at the end of this term, Miss Lyndal Matthews will be taking up a position at Broke Public School and Mr Mitchell Thomas will be returning to his home in the Hunter Valley. Miss Woodley, Miss Matthews and Mr Thomas have been dedicated and devoted staff members who have supported our students and their

colleagues unconditionally during their extended time at PHCS. We wish them all the very best in their future endeavours and know that they have touched the hearts and lives of everyone in our school community and we know that they will carry a part of PHCS with them as they go!

### MY HOLIDAY WISH

Thank you everyone for your support, positive attitudes, hard work and enthusiasm for learning during 2021. My wish for each of our students and our families this summer holiday, is that you find joy and happiness as you spend time together with your extended family and friends. Take care and have a safe and restful holiday.

**Mrs Catherine Doyle**  
Deputy Principal

## 2021

Well done to all of the students and families in 2021, this year again presented many disruptions with COVID. However, the resilience shown by the students has resulted in excellent growth in all areas of assessment. Students should be extremely proud of the way they have re-engaged in their learning this term. As teachers all we can ask, is that students try their best, and I firmly believe students have put their best foot forward this year.

## YEAR 10 INTO 11 TRANSITION

In Week 9 our students in Year 10 had the opportunity to meet their Course Coordinators for 2022. Students demonstrated some nerves at the beginning of the week, but grew more comfortable as the week progressed. Students also completed a range of activities and viewed presentations to further familiarise themselves with the Western Access Program.

## REFLECT AND RESET

With the upcoming holidays, I encourage all students to reflect on what they have achieved in 2021, be proud of your accomplishments and application throughout the entire year.

The school holidays is a great time to set your goals for 2022. I ask students to think about what you would like to achieve:

- academically
- on the sporting field
- in the community
- in the future

Year 10 and 11 have been completing their goals for next year in their PLP meetings, if students wish to alter these goals please ensure you speak with your teachers early in Term 1, 2022.

## SAFE HOLIDAY

Please ensure you all have a safe and happy holiday!

Kind regards,

**Mr Joshua Brown**  
Head Teacher Secondary Studies

## HEAD TEACHER STUDENT GROWTH AND ATTAINMENT

As we reflect on our year at school, this year it has certainly been an interesting one. There are many achievements including surviving the COVID lockdown, through the community working together to support our students. One of the most important things we did as a Literacy Community Team was to hold our Healthy Booris Day which was very much enjoyed by the students and the parents who attended. With the help of Mrs Pam Keed and our young mothers and midwives we were able to raise the importance of reading to your child, from birth! We are very much looking forward to having a much bigger day next year, after our plans were dashed this year.

This past week I have been conducting reading and comprehension tests for our Year 6 students, who will be part of our Year 7 in high school in 2022. I am so impressed with the reading level of the majority of the students. They are already reading and understanding at a Year 7 level. It will be important for them to maintain their reading so they don't slip behind in the holidays. Even more pleasing was the number of students who said they were getting books as Christmas presents. Many students said their favourite books were David Walliams books, which they had been reading in their Reading Circles. If you have a young reader and are not sure what book to get them, try a David Walliams book, they are very funny.

Over the past year I have written about all the evidence we have about the effect of reading to our children and the importance of encouraging them to read at home. Recently the Education Department produced this little booklet to help parents with some

practical ideas about what to try at home for both literacy and numeracy. It is available to download for free online, and copies are available at school. One of the reminders in the booklet is that literacy involves listening, speaking,

reading, writing and spelling. Speaking and listening skills build the foundation for your child's learning at school. These skills help a child to be able to talk with others, create friendships and take part in activities at school. Just talking and listening to your child is such an easy yet important thing to do to give your child important communication skills. If you are reading a book together, or your child is reading independently ask them about what happened at the beginning, middle or end of the story. Ask them to tell you about the characters in a story, and create your own story together. Your child is learning about story telling in our culture, and the structure of writing through this simple activity. These are just a few ideas in the booklet, there are more excellent ideas to try in the book, so go ahead and download it for the holidays, or pick up a copy at school.

### ACTIVATE DRAMA

This term there has been a lot of fun and students have had the opportunity to act out both funny and serious real-life situations in ACTIVATE Drama. With the help of Mrs Allen and all the costumes she brought in we created a Casino Royale skit, with a thief, a bridal party and a disco. In our last class we were also assisted by Mr. Brendan Allen. Thank you so much for such a fun afternoon. In this ACTIVATE group the students have gained an understanding of the importance of teamwork, and how a team depends on everyone's contribution. Below are some funny photos from our afternoons.

### YEAR 12 ABORIGINAL STUDIES

On Wednesday, 1 December Samuel Gregson and Tyelia Hoswell-Parsons from Yeoval Central School, and a small group of Year 10 students had the privilege of being taken to significant Wiradjuri sites by Mr David Towney, and his father David Senior, both very well known and respected in the local area. As part of their HSC Aboriginal Studies students undertake local area studies which must be conducted through the local community. On the day, the students saw many important sites, from Bulgandramine Mission to areas with grinding stones and paintings. The students were very respectful and David and his father were very generous with their time and knowledge. As a group we are very appreciative and feel honoured to have been part of the day. Here are some photographs of the excursion. Thank you David Snr and David for a day on Country, allowing us to all reconnect with the land.

This year we introduced a half hour writing group for Years 7 and 8 to help the students improve their writing. In Year 7 Ruby Bell made tremendous growth and I would like to congratulate her on her writing achievement, which I am sure she will continue next year.

I have been mentioning in the last few Newsletters the work of the Year 8 students, on a class newspaper. It is almost complete thanks to the hard work of our Editor, Mackenzie Pabis, who has worked diligently to make sure all the students submitted their articles. Here is a photograph of the front cover. Congratulations Mackenzie and her Year 8 team.

Thank you to everyone for this year, and I would like to wish students, parents/carers and community a very Happy Christmas and a fabulous New Year.

**Ms Brenda Stewart**  
**Head Teacher Student Growth and Attainment**

**OUR FINAL WEEK OF THE 2021 SCHOOL YEAR! CAN YOU BELIEVE IT?**

Through many ups and downs we have made it! The improvement your children have had and the positive memories made are the things that will last a lifetime.

We have wrapped up the term with quality teaching and learning right up until the end of Week 10 and have gone out with a bang with our "3-day event".

Primary students have had the opportunity to engage in face and nail painting, soccer, scavenger hunts, a movie afternoon, swimming activities, mini sports games, Christmas craft, a disco and received free Dippin' Dots! We have loved having the opportunity to enjoy these activities and celebrate these successes with your children.

I would like to extend huge gratitude to the staff in Primary this year. Miss Woodley, Mrs Watt, Miss Axam, Mrs Edge, Mrs Westcott, Ms Barnes, Miss Heraghty, Miss Matthews, Mrs Jones, Mrs Sarah, Kelly Dart, Kate Woodley, Melanie Naden and Karl Newman. This group has put in such an incredible effort to support our Primary students this year and have done an amazing job.

Heading into 2022 we will have five classes:

CLASS	TEACHER
Kindergarten	Miss Sammi Axam
1/2	Miss Ella Bandur
2/3	Miss Tiarne McLeod
4/5	Miss Teagan Heraghty
5/6	Mrs Danielle Tremain-Cannon

Our classes will also be supported by Mrs Bec Jones, Ms Corina Barnes, MRs Lyndal Edge and Mrs Kelley Westcott.

Thank you to all our wonderful Primary families for your contributions to your child's learning this year. We truly could not have made it without your support.

I am looking forward to another magnificent year in 2022 with you all.

**Miss Tiarne McLeod**  
**Assistant Principal (Rel)**

## PRIMARY 2022 EQUIPMENT LIST

2021 Kindergarten to Year 6 - Students will be required to provide their own stationary and equipment as listed below. Please ensure that all personal items and equipment are clearly labelled with your child's name.

### Kindergarten to Year 2

School Uniform  
 School Hat  
 School Bag  
 Lunch Box  
 Drink Bottle  
 Library Bag  
 Art Smock  
 Tissues

### Years 3 to 6

School Uniform  
 School Hat  
 School Bag  
 Lunch Box  
 Drink Bottle  
 Library Bag  
 Art Smock  
 Tissues

Pencil case with coloured pencils, 3 lead pencils, rubber, ruler, sharpener, glue stick and coloured texters

**Years 5 to 6 additional items** 3 Blue Pens and 3 Red Pens

## SECONDARY 2022 EQUIPMENT LIST

### Subject

### Requirements

English	A4 128 page exercise book
Mathematics	A4 128 page exercise book, Geometry set and Scientific Calculator
HSIE	A4 128 page exercise book
PDHPE	A4 128 page exercise book
Science	A4 128 page exercise book
Technology Mandatory	A4 128 page exercise book
Visual Arts	A4 128 page exercise book and coloured pencils
Electives for Years 9/10	A4 128 page exercise book and Display Folder

### Year 7 to 10 additional items

Students should have a scientific calculator, pencil case, pens, scissors, glue stick, ruler (plastic/wooden), eraser, pencil sharpener, lead pencils and coloured pencils.

Calculators are available from the Administration Office for \$28.

All books should be covered and labelled with the student's name.

Departmental regulations demand the use of fully enclosed leather shoes for Science and Technology. Shoes with fabric are NOT Suitable. Footwear with any part of the foot exposed are NOT PERMITTED.

## Year 6 Graduation

### CONGRATULATIONS TO THE YEAR 6 CLASS OF 2021!

On Tuesday, Year 6 students celebrated the end of their Primary education with lunch, cake and a spectacular presentation of their Year 6 PowerPoint and commemorative photo book.

We wish Year 6 a restful holiday before they return in 2022, to begin their high school life in Year 7!

**Mrs Bec Jones**  
Classroom Teacher

## Christmas Baking

As part of our three day event, the students in Secondary have absolutely loved our Christmas baking bonanza!

**Mrs Catherine Doyle**  
Hospitality Teacher

# Art with Mrs Lyndal Edge

In Art, Stage 3 discussed the life and work of famous painter, Vincent Van Gogh, before creating their own versions of Starry Night.

We also studied the primary and secondary colours as well as categorising them into warm and cool to create these beautiful sunrise paintings.

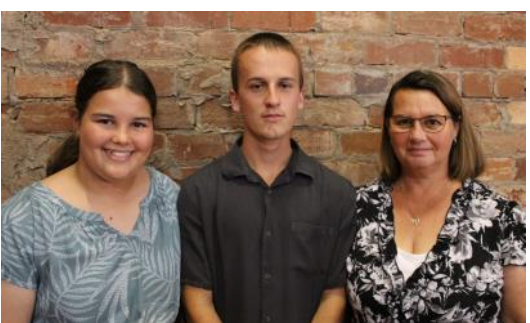

Great work Stage 3!

**Mrs Lyndal Edge**  
Art Teacher

Year 12 Farewell Dinner

Year 12 Farewell Dinner

Kindergarten with Mrs Georgia Watt & Miss Elsie Woodley

**LAST FORTNIGHT IN KINDERGARTEN**

It is hard to believe that we are already at the end of the year. It has been incredible to see the Kindergarten students grow so much, in so many ways over the past 12 months.

In Science and Technology, we have been learning about sequences. We choose different locations on our mat and gave directions to our Bee-Bot to help it get from one point to the other. It was lots of fun.

In Creative Arts we have been making Christmas decorations.

We have had a visit from the elf on the shelf, Buddy, he has been checking in to see how the students are going. We are excited to find him in the classroom each morning.

Miss Woodley and Mrs Watt want to wish everyone a safe and happy Christmas and a wonderful New Year.

**Miss Elsie Woodley and Mrs Georgia Watt  
Classroom Teachers**

Year 1/2 with Miss Tiarne McLeod & Miss Sammi Axam

**1/2 NEWS**

This week 1/2 have been getting up to so much fun!

Coming up to the end of the term we have been going to the pool each day to do swimming lessons with Mrs Watt, which has been so much fun.

In Mathematics we have been learning about Capacity and Symmetry. As it is coming up to Christmas time, we even made some symmetrical trees. SymmeTREES.

It has been such a fantastic term and year for 1/2 and we are both looking forward to seeing all of our fresh faced students next year!

**Miss Tiarne McLeod and Miss Sammi Axam  
Classroom Teacher**

**WHAT'S HAPPENING IN 3/4H?**

Wow, we are in to our final two weeks of 2021 and what a year it has been! I am so proud of every student in our class. Every student in 3/4H has shown growth in all areas including academics, sporting and social skills. I have absolutely loved teaching all these wonderful students and watching them grow and achieve success.

We have spent the last fortnight in our classroom reflecting on what we have learnt throughout the year and using this knowledge to create a Christmas wonderland. We have used pastel and painting techniques to produce an amazing reindeer and Christmas tree. Students wrote numerous procedures including: 'How to decorate a gingerbread man', which gave us the opportunity to decorate our own gingerbread men. We looked at place value and symmetry and created many different Christmas pictures using the knowledge we gained.

Swimming has been an absolute blast for 3/4H. I was amazed at the growth students had made from last years swim school. It is fantastic to see our students so happy and eager to get into the pool each day. A massive thank you to Mrs Watt, Ms Barnes and Kelly Dart for delivering these lessons.

2021 has been a year full of challenges, with COVID-19, working from home and it is safe to say that our students have developed both resilience and maturity.

I would like to wish you all a very Merry Christmas and a safe and Happy New Year. I can not wait to return in 2022 for another year of "Success through Effort" at Peak Hill Central School.

**Miss Teagan Heraghty**  
**Classroom Teacher**

**WHAT A FANTASTIC YEAR WE HAVE HAD IN 3/4M!**

I can not believe we are in the last week of school of another terrific year!

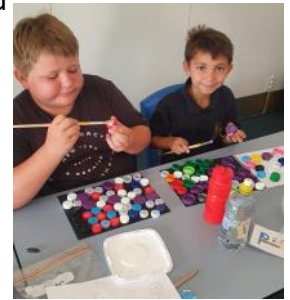

3/4M have finished the term with a bang! We have completed our recycled art project, completed Christmas wish lists and have done lots of revision from all topics completed this term.

As most are aware I am finishing up my time at Peak Hill Central School this term, to move over to the Hunter Valley. I am so grateful to have been part of the PHCS community even though it was for a short time. I would like to thank all parents and carers for their continued support this year! I am so proud of the growth each student in 3/4M has achieved this year and I wish everyone continued success in the future!

I hope everyone has a safe and happy holiday.

Merry Christmas!

**Miss Lyndal Matthews**  
**Classroom Teacher**

**WELCOME TO WEEK 11**

Well done to all the students who participated in swimming lessons over the past two weeks. A big thank you to Mrs Watt. It has been pleasing to see the growth in the students confidence and technique. Congratulations to Ado, Jackson and Peter for presenting their speeches to be nominated for school captain next year. You have done the class proud.

In Mathematics, we have been learning about angles. The students have been getting more confident at recalling the different types of angles and have had challenges where they match up different angles with the degrees they think that angle corresponds with. We have been working with protractors and learning how to measure angles correctly.

In PDHPE, we have been reflecting on our learning over the past few weeks. The students have needed to recall what makes a relationship, different ways that we can communicate with each other, different emotions that people may have and online safety.

The weather has certainly been playing havoc with our outdoor sport, however the students have been participating in volleyball in the hall and working on their creative dance skills.

Wishing everyone a merry Christmas and a safe and happy New Year.

**Mrs Bec Jones**  
Classroom Teacher

**ENGLISH**

We have come to the end of another wonderful year of learning in English.

Stage 4 and Stage 5 have now completed all of their summative assessment tasks and are now working on consolidating their understanding of key concepts in preparation for next year.

Stage 4 are engaging with a range of short films that featured in the Tropfest competition. Students are required to analyse each film and will then complete a short post-test in their final English lesson to see where they can improve next year.

In Term 1 next year Stage 4 will be learning about the Gender Stereotypes in Advertising and will work to create their own advertisement for a fictional product.

Stage 5 are completing a short study on the director Tim Burton. The films of Tim Burton connect to their Horror Genre study. We have been revising a range of film techniques and have learnt about the concept of Mise En Scene. Revising these techniques will prepare our current Stage 5 students for their Documentary Film study in Term 1, 2022.

**Mr Michael Labone**  
English Teacher

**PIRRU THANGKURAY EXCURSION**

On Thursday 9th December, students in the Pirru Thangkuray Program attended a cultural excursion in and around Dubbo. Students first visited a scar tree where Lily explained how scar trees occurred and the significance of scar trees. Then we visited Terramungamine Reserve to see the grinding grooves. While at Terramungamine, Lily shared some bush foods, such as lemon myrtle and finger limes with the students.

Thank you to Lily for your ongoing support of our students and for organising such excellent excursions where students can build on their cultural knowledge and understanding.

**Miss Lucy Dempsey  
Classroom Teacher**

## Disabled Parking

Peak Hill Central School has two Disabled Parking spots. One is located near the main entrance to the School on Caswell Street and the second is located on Bogan Street near the entrance gate to Primary.

Members of the School Community are reminded that you require a Disability Parking Permit which must be displayed on your window to utilise the parking space

**Michael**  
Graduate Environmental Advisor  
**Scholarship winner and World Cob Loaf Champion**  
"Northparkes has given me the opportunity to follow my passions. Working in the environment with an outstanding team, getting a degree and a home life to pursue my many hobbies"  
[www.northparkes.com](http://www.northparkes.com)

## Northparkes Indigenous Scholarships

Northparkes Indigenous Scholarships provide financial support and encouragement to students interested in a career in the mining industry, in addition to those who wish to pursue non-technical degrees in other fields.

### Our Indigenous Scholarships:

Successful applicants receive up to \$10,000 for technical degrees and \$5,000 for non-technical degrees each year of their university studies.

#### Examples of technical careers:

- Mining Engineering
- Electrical Engineering
- Mechanical Engineering
- Metallurgy
- Geoscience

#### Examples of non-technical careers:

- Nursing
- Occupational Health/Safety/Science
- Physiotherapy
- Accounting
- Environmental Science
- Community Relations
- Human Resources/Training

In addition to financial support, recipients are also provided with a laptop to assist with their tertiary studies. You will be constantly supported throughout your studies, and we also offer paid meaningful work placement opportunities during your uni holidays. This ensures scholarship holders can offend, enjoy and eventually obtain employment in their chosen field.

Seven Indigenous tertiary students are currently supported by the program.

#### How to Apply:

To apply students must complete a survey, please follow the below link, or scan the QR Code:

<https://www.surveymonkey.com/r/X8R72NE>

Applications close: Friday, 31 December 2021

• SUMITOMO METAL MINING CO., LTD.

## Northparkes Sumitomo Scholarships

Northparkes Sumitomo Scholarships provide financial support and encouragement to students undertaking study within the Central West of New South Wales.

### Our Sumitomo Scholarships:

Our Sumitomo Scholarships are open to anyone under the age of 30 who is completing or has been accepted into study at university. Four successful applicants will receive a one-off payment of \$2,000 to help them with their studies.

### Sumitomo Metal Mining Oceania Scholarship

#### eligibility criteria:

- Reside in the Central West of New South Wales at the time of application.
- Be accepted into university or studying at university.
- Be under the age of 30 at the time of application.

Shortlisted applicants will be required to complete a phone interview with our Northparkes HR Team, with scholarships awarded in January 2022.

#### How to apply:

To apply, students must complete a survey, please follow the below link, or scan the QR code:
